Study Team

- Working as a constructive supportive team we can make a real difference:
 - Parents
 - Student
 - Teaching Staff

Student Wall Planner

- Often the case for improvement in study is NOT to study 'harder' but rather study 'smarter'.
- Effective study comes from both a will within the student and a supportive environment around them that also encourages them to stick to their study activities and routine.

Student Wall Planner

- The Student Wall Planner is designed to:
 - Help students organise their time far more efficiently.
 - Allow them to become more aware of their study commitments in terms of assignments and assessments.
 - Allow parents/carers to be part of a study support routine.

 **How to Use the Student Wall Planner**

PERTH MODERN SCHOOL

 **Study is**

PERTH MODERN SCHOOL
Exceptional schooling. Exceptional students.

- Something that takes organisation, time and effort
- A process of doing things frequently
- Not a 'natural' thing for most people
- Work you set for yourself
- A focus on *routine*
- Repeated practice until you are confident
- A way of achieving your PERSONAL BEST
- Making the effort to see your teacher if you do not understand things
- A way to avoid the need to 'cram' at the last minute
- Growing in confidence about your school work and ability

Study is NOT

- Something that only 'smart' students do
- Doing any work set by the teacher
- Reading over things
- Doing assignments
- Homework
- Something you 'get back to later'
- Repeating the same mistakes
- Something you do after you receive a poor test result
- Spending lots of hours doing the wrong activities
- Sitting in your room for hours just looking through your notes

Study is...

- A routine that you organise and use to achieve your very best effort
- An activity that requires discipline

Set Goals

- With all Goal Setting there are three key points:
 - Be realistic with your goals
 - Set goals that can be measured
 - Develop strategies on how your goals are going to be achieved

Manage Your Time

- While the amount of time is the same for everybody, it is the way we use time that varies greatly from one individual to another.
- The Student Planner helps to develop a Daily Homework and Study Timetable - Monday to Sunday.

Know Your Learning Style

- Find out which of the three learning styles suits you best:
 - Auditory - listening
 - Visual - seeing and writing
 - Kinaesthetic - motor skills - action
- Your best learning style will help you with increased data retention and Study.

Understanding Behaviour

- Effective learners display some consistent behaviours.
- They ACTIVELY seek to advance their learning, OR
- They PASSIVELY wait for everything to come to them.
